### Fire combustibility exclusion

The following applies to the Professional indemnity section of **your policy**. This will apply irrespective of anything contained in **your policy** to the contrary:

1. The definition of **Claim(s)** in **your policy** is deleted and replaced by the following

#### **Claim(s)**

Any verbal or written demand, notice or communication from a third party

1. making an assertion for legal remedy or any other form of compensation or remedy
2. containing reference to, or serving notice of, intent to start legal proceedings
3. invoking any pre-action protocol as set under the Civil Procedure Rules and/or
4. referring to arbitration, adjudication or complaint proceedings
5. alleging or asserting the rendering of any property unfit for habitation

2. **Fire combustibility exclusion**

**We** will not cover any **claim** or **claim circumstance** arising directly or indirectly out of, or in any way connected with, any actual or alleged failure of any product, material or system used in the construction, alteration, repair, treatment or refurbishment of any building or structure to comply with applicable regulations in respect of the performance of combustibility, fire resistance or fire protection.

All other terms remain unaltered.
